

## List of Hotels

When booking, please mention the Humboldt University. University guests get a discount at some of these hotels.

A cheap alternative is the guest house of the University which offers a limited contingent of apartments for participants of our congress. See: <http://141.20.145.30/index.php4?fd=502> .

If you are interested to stay in the guest house, please contact Prof. Dr. G. Scholtz:
